The annual District Dinner is an opportunity for a night of fellowship and great food as we acknowledge and recognize the Class of 2017 North Star District Eagle Scouts and their families. The North Star District's outstanding leaders at the unit and district levels and many of those behind the scenes will also be recognized.

Please plan to join us this for this very special evening to congratulate and recognize our 2017 Eagle Scouts, hear from some very special guests and see some “Scout Magic” to make it a memorable evening.

Please register by February 19, 2018, so food can be ordered. The late fee (\$5.00 per person) begins February 20, 2018; food and seating are not guaranteed for late registrations.
